Lt. Roy Schlenker
Camp Kilmer
N. Jersey

Dear Sir:

Please pardon my delay in answering your letter of May 10th, asking The Eagles to play your ballclub at Camp Kilmer. I have just been able to arrange a date when we will be able to come. In order to make the trip I will have to ask if it would be possible for us to have the use of the army vehicles for transportation. You may have heard, The ODT has forbidden us to use our buses, and we are having a lot of trouble getting from place to place.

There will be about seventeen men to be taken care of, and if you can suggest some way of getting them to camp we will be glad to come.

The best date as our schedule now stands is Wednesday June 2nd.

I will appreciate hearing from you right away.

Very Truly Yours
